Doing business with Integrity

Code of ethics and conduct handbook (‘ethics handbook’)
MESSAGE FROM CALVO MAWELA
“MultiChoice’s commitment to good governance is reflected in its governance framework that is supported by various policies and processes currently in place. We believe in doing business with integrity and do not tolerate unethical behaviour.

Our Whistleblower facilities ensure that instances of unethical behaviour or conduct against our policies can be reported anonymously by both employees and stakeholders including suppliers.

Our relationships with various regulators in our markets are important to ensure that we comply with and operate within applicable laws and regulations.”

HOW TO USE THIS HANDBOOK
HOW TO USE THIS HANDBOOK

USE GOOD JUDGMENT IN EVERYTHING YOU DO

This handbook highlights the values, behaviours and conduct which creates an honest, fair and objective workplace, while operating in compliance with all laws and our policies.

The handbook is intended as a guide; thus it does not include the full details as contained in the MultiChoice Group (MCG) code of ethics and conduct (code) and policies. Please note that it does not cover every situation that you may face on the job. Therefore, it is important to use good judgment in everything you do and ask for help if you are unsure about the right course of action.

THIS MEANS YOU MUST:

- Make ethical decisions which builds trust with stakeholders
- Use this handbook as a guide to make good decisions
- When unsure what to do – pause, think and ask
- Report unethical behavior or violations of the code and policies
- Consult company policies for more information
- Contact your ethics officer representative for assistance.

LEARN MORE:

Visit the MCG ‘Enrich’ share point for the detailed policy/ies referred to later in this handbook.

DOING BUSINESS WITH INTEGRITY – STAKEHOLDERS

Customers: Our customers are our lifeblood, and we are committed to delivering an exceptional service. Honest and open communication with our customer is key to our customer service strategy.

Investors: Our investors trust us to create value for them in a responsible and thoughtful way. We build that trust by not disclosing insider information, looking after our resources, ensuring we keep proper records and honestly communicating with them.

Government and communities: Our industry is highly regulated and complex. Interacting with regulatory authorities is key to our long-term sustainability and continued success. We are committed to delivering real benefits to the communities where we operate and are mindful of our planet’s sustainability.

Each other: Our people are our best asset, and we work together to cultivate a workplace of mutual respect, inclusion and collaboration. We value diversity and our people are reflective of the places we do business in.

Third Parties: We expect the same highest ethical standard from our third parties as we set for ourselves. We exercise sound judgement when engaging with each other and exchanging business courtesies.
